Account ID: 603-260-109
Account Type: Excise Tax
Quarter 1 period ending 03/31/2020

Dear SHIBLEY MEDICAL CLINIC:

The Department of Revenue recognizes the profound impact the COVID-19 virus is having on businesses across our nation. Your business is a vital part of Washington's economy and we are committed to helping keep businesses in business during this difficult time.

This letter is to notify you that your Quarterly March 31, 2020 tax return due date was recently extended.

Your new due date is: June 30, 2020

A few important reminders:

- This is an extension of tax due, not a waiver of taxes owed.
- It is important to remember that retail sales tax is collected on behalf of the state and is held in trust for the state of Washington. It should not be used for business expenses.
- All businesses that receive an extension should still file their tax return on time, if they are able.
- If you already filed your tax return and scheduled your payment for withdrawal, you must cancel your payment in your online My DOR account BEFORE the original due date to ensure the payment is not pulled from your bank account before the new due date. Taxes already paid will not be refunded.
- If you cannot pay your taxes in full by the new extended due date, please contact us at 1-800-631-4028 for assistance. You may qualify for a payment plan.

If you have the ability to pay earlier than your new due date, please do so. Your taxes fund important services in our state and local communities including K-12 schools, health and social services, and public safety.

If you have any questions regarding this please contact us at 360-705-6705.

Sincerely,

Department of Revenue

Re: Your reseller permit application

Your application for a reseller permit, received on October 8, 2019, has been reviewed. The application was denied for the following reason(s):

- The business activity description reported on your application does not qualify you to make wholesale purchases.
- Department of Labor & Industries does not have an active Contractor License assigned to your UBI. Please contact L&I at (360) 902-5226 or lni.wa.gov on how to register as a contractor.

Other options

If you make retail or wholesale sales, you may simply take the "taxable amount for tax paid at source" deduction on your excise tax return or request a refund of the sales tax paid on qualified purchases for resale. For more information on these options, visit our website at dor.wa.gov/resellerpermit.

Appeal process

If you disagree with this decision, you have the right to appeal. You must file your appeal within 21 days of the date of this letter. An appeal form is available at dor.wa.gov/resellerpermit or by calling 1-800-647-7706.

If you have questions

If you have questions about your request or need assistance, please call (360) 705-6217.

Unemployment Claim Determination

We have determined:

- **You may receive up to \$0 each week you are eligible for unemployment benefits.**
- **The total amount you can receive for your benefit year is \$0.**
- **Your benefit year is Mar 29 2020 to Mar 27 2021.**
- **We may need to adjust the amount based on a number of factors.**

This notification is not an approval or denial of benefits. It is a statement of how much you may receive as long as you otherwise qualify.

The amount you may get each week (called your weekly benefit amount) and the total amount you can receive (called your maximum payable amount) are based on the hours you worked and wages you received between Jan 1 2019 to Dec 31 2019. This period is called your base year. Employers pay the entire cost of unemployment benefits.

How to request an adjustment

If any information looks wrong or is missing, refer to the "Benefit payments" section of the Handbook for Unemployed Workers or call the claims center between 8 a.m. and 4 p.m., Monday through Friday at 800-318-6022, if you need help.

If this information is correct and you aren't eligible for unemployment benefits, you can ask for an alternate base year (ABY) claim. This type of claim uses the last four completed calendar quarters. Call the claims center to request an ABY. For more information, refer to eServices or the "Benefits payments" section of the Handbook for Unemployed Workers.

Be sure to continue to file your weekly claims, even if you are waiting for an answer from us.

IMPORTANT ACCOUNT INFORMATION

Effective June 20, 2020, we are updating the Funds Availability Policy in our Deposit Account Agreement as follows:

In the "Longer delays may apply" section, when a longer delay applies, we are making the following changes:

- The amount of your deposit that may be available on the first business day after the day of your deposit is increasing from \$200 to \$225.
- We are changing the check deposit amount exception that may lead to a delay of generally no more than seven business days from "You deposit checks totaling more than \$5,000 on any one day" to "You deposit checks totaling more than \$5,525 on any one day."

In the "Special rules for new accounts" section, setting forth special rules that apply during the first 30 days your account is open, we are updating the amounts in the two bullets in the second paragraph from \$5,000 to \$5,525 and from \$200 to \$225 as follows:

- The first \$5,525 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state, and local government checks and U.S. Postal Service money orders made payable to you will be available on the first business day after the day of your deposit.
 - The excess over \$5,525 and funds from all other check deposits will be available on the seventh business day after the day of your deposit. The first \$225 of a day's total deposit of funds from all other check deposits, however, may be available on the first business day after the day of your deposit.
-

To provide you with additional flexibility to access accounts, we have increased the daily ATM withdrawal limit on your Wells Fargo Debit, ATM, or EasyPay Card(s) to \$710. Any card that already has a daily ATM withdrawal limit of \$710 or more remains the same. To view your card limits any time, sign on at wellsfargo.com/cardcontrol and click on Open Card Details.

You must describe the specific information that is inaccurate or in dispute and the basis for any dispute with supporting documentation. In the case of information that relates to an identity theft, you will need to provide us with an identity theft report.

Disclosure Information

- The interest charge on the Checking Line of Credit advances begins to accrue on the date an advance is posted to your account and continues to accrue daily on the unpaid principal balance.
- We calculate the interest charge on your account by applying the daily periodic rate to the "daily balance" of your account for each day in the billing cycle. To get the "daily balance" we take the beginning balance of your account each day, add any new advances or fees, and subtract any payments, credits, or unpaid interest charges.
- You may also determine the amount of interest charges by multiplying the "Balance Subject to Interest Rate" by the number of days in the billing cycle and the daily periodic rate. The "Balance Subject to Interest Rate" disclosed in the Interest Charge Calculation table is the "average daily balance." To calculate the "average daily balance" add up all the "daily balances" for the billing cycle and divide the total by the number of days in the billing cycle.
- If there are two or more daily periodic rates imposed during the billing cycle, you may determine the amount of interest charges by multiplying each of the "Balances Subject to Interest Rate" by the number of days the applicable rate was in effect and multiplying each of the results by the applicable daily periodic rate and adding the results together.

**IN CASE OF ERRORS OR INQUIRIES
ABOUT YOUR STATEMENT**

Send your inquiry in writing so that the Credit Union receives it within 60 days after the statement was mailed to you. Your written inquiry must include:

1. Your name and account number.
2. A description of the error and why (to the extent you can explain) you believe it is an error; and
3. The dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will credit your account for the amount you think is in error, so that you will have use of the money during the time it takes us to complete our investigation.

If you have authorized your Credit Union to automatically pay your loan from your share account, you can stop or reverse payment on any amount you think is wrong by mailing your notice so that the Credit Union receives it within 60 days after the statement was sent to you.

You remain obligated to pay the payment on your loans not in dispute, but you do not have to pay any amount in dispute during the time the Credit Union is resolving the dispute. During the same time, the Credit Union may not take any action to collect disputed amount(s) or report disputed amount(s) as delinquent.

This is a summary of your rights. A full statement of your rights and the Credit Union's responsibilities under the Federal Fair Credit Billing Act will be sent to you upon request and in response to a notice of error.

PLEASE RETAIN THIS STATEMENT FOR YOUR RECORDS.

How To Determine the Finance Charge:

The Finance Charge is determined by multiplying your unpaid balance at the close of each day in the billing cycle being accounted for by the applicable Daily Periodic Rate, after payments, credits and unpaid Finance or Late Charges have been subtracted and new advances, insurance premiums or other charges have been added to your unpaid balance. These daily Finance Charges are then added together and the sum is the amount of the Finance Charge owed. Your loan payments and the Credit Union's loan advances are entered when made. Your loan balance does not include Finance Charges.
